Re: Waste Management (Registration of Brokers and Dealers) Regulations 2008

Dear Sir/Madam,

Further to our receipt of your completed Brokers and Dealers registration form, please find enclosed a copy of your certificate of registration. The registration number quoted on this certificate is to be used when filling out all TFS forms (i.e. Notification Documents, Movement Documents and Annex VII forms) and should be quoted on any future correspondence with the National TFS Office.

In addition to the requirements for Amber List waste, the National TFS Office operates an online reporting system for the export and import of Green-listed waste out of and into Ireland in accordance with Regulation 13(d) of the Waste Management (Registration of Brokers and Dealers) Regulations 2008, and Regulation 5(1)(q) of the Waste Management (Shipments of Waste) Regulations 2007. The person who arranges Green waste shipments, whether a broker or dealer involved in the export and import of waste, is required to provide information to the National TFS Office in a green list waste report each calendar quarter. This is a quarterly summary report on waste shipped in the last 3 months.

The GLW (Green list Waste) Shipment report must be completed and submitted online at the end of each calendar quarter; this may be accessed via the webpage <https://wrms.dublincity.ie/wrms/frontoffice>

Should you have any queries regarding the above, please do not hesitate to contact our office.

Yours Sincerely,

Neil Gorman
National TFS Office
